What a year! Achieving goals by the students of Waite has this year become more difficult than in many past years. After the third defeat of the school levy the faculty and students didn't know the fate of the schools. Following a 2½ week shut down we returned in January only to be closed again by a winter storm. Continued subzero temperatures caused the governor to declare a state energy emergency which forced us to lose five additional school days. Through all these crises, the faculty and students made the best of a bad situation until things got back to normal in February.

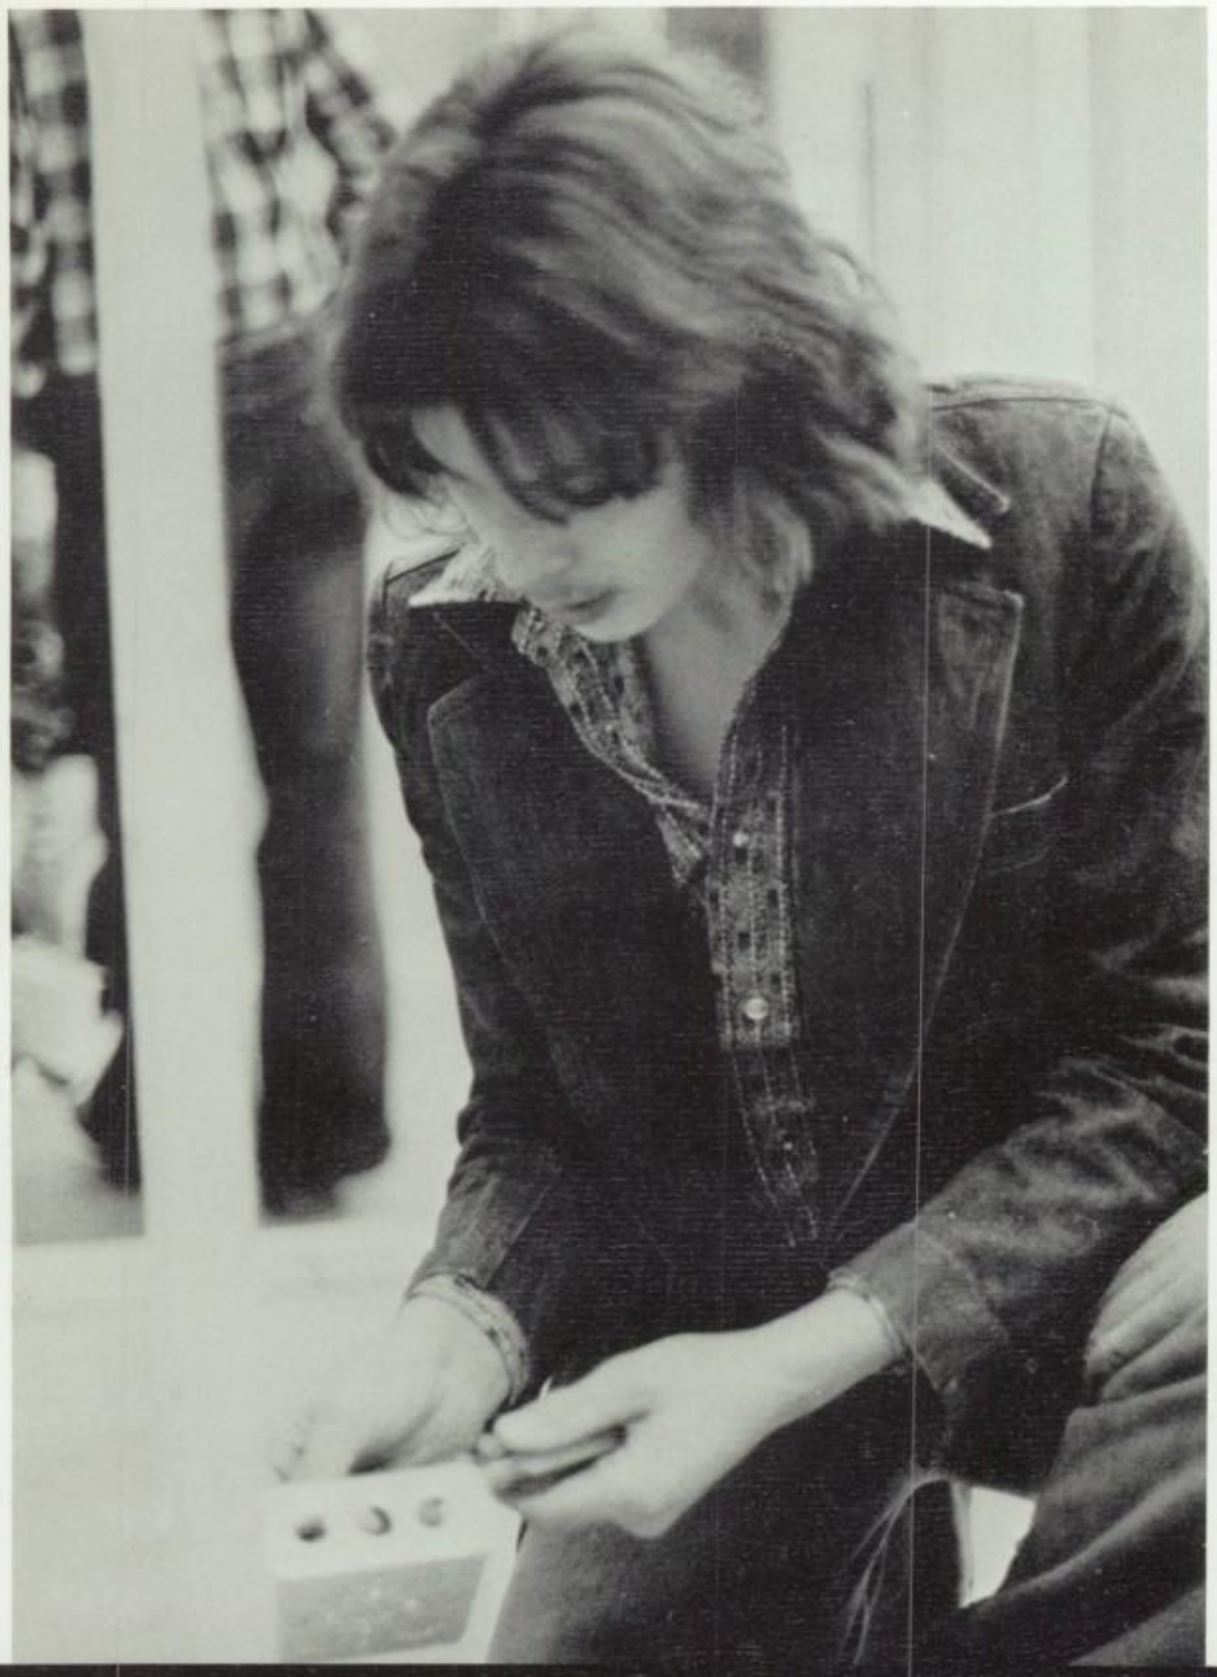
GOLD PENNANT YEARS



A new addition to Waite this year was the Vocational Skill Center. The Skill Center was built in 1975-76 and opened in Sept. of 1976. It offered many kinds of opportunities in different vocational fields — mainly in the area of construction trades. It gave the students of Waite and other area high schools a chance to expand their knowledge and technical skills. This new addition to education has been a big step forward for Waite.

We all must choose our own goals and the paths down which we move to achieve these goals. No matter what circumstances we may encounter, life does not stand still. We may have to alter our direction, but we must keep "movin on." The events of this school year will effect each of us in a different way. The Warrior staff has tried to capture some of these memories in the pages of this book.

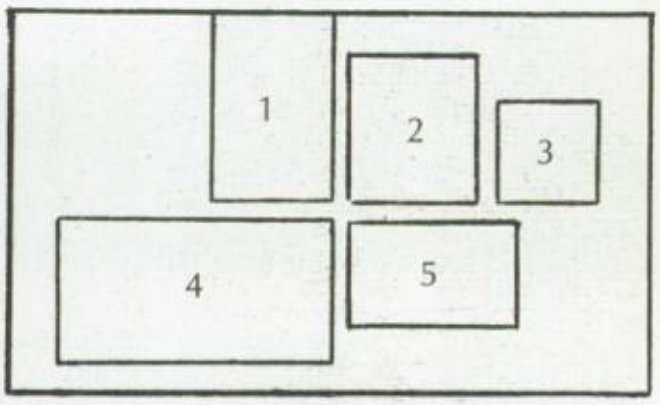
What is a teacher? First, he is an educator. He provides the key to a world of knowledge and understanding. At times he is a counselor. He is there to listen when a sympathetic ear is just what you need. He is also a friend — not like one of your buddies, but rather as a person who cares. No one can measure a teacher's influence, but if he succeeds in stimulating a student's curiosity he has opened a door to endless goals and learning.



1. Peek-a-boo I see you, Mr. Tarpchinoff!
2. Joe presents Cross Country trophy to Mr. Cross.
3. Mr. Lambdin in deep concentration.

This year's band had over 100 members — the largest band in a number of years. In the years since Sam Szor has been at Waite, the band has gotten bigger and better every year. Five years ago, an annual High School Band Festival was begun. Our band was the only high school band to ever get a standing ovation from the audience and other high school band members alike. Throughout the year the band was very active. They sold fruit, played at concerts, basketball games, cross-country meets, football games, and pep rallies.

Faces reflect the mood of the music.

The Waite High School Choir is formed from students who enjoy lifting their voices to the sky. The Choir performs for elementary schools in the Toledo area as well as for various programs throughout the year at Waite. But at the end of the year when the yearbooks are distributed all the hassles, headaches and worrying seem minor over the feeling of pride each and every one of us feels.

The golf team had a disappointing season this year. They tried hard, but they captured only one win. However, there was a bright moment when Dennis Johnston was named to the First Team All-City. Dennis was the first person from Waite in nine years to have that honor.

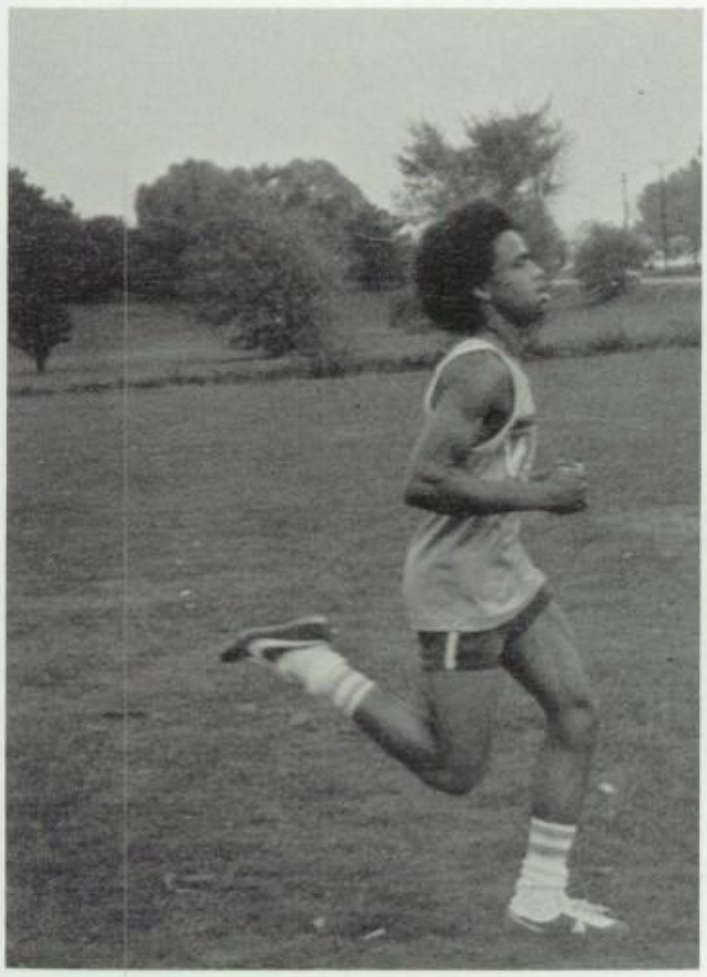
Dennis Johnston demonstrates the swing that earned him First Team All-City honors.

The walk back to the clubhouse always seems shorter after a victory.

Cross Country

Row 1: Jay Boose, Joel McVicker, Angel Garcia, Tony Bruns. Row 2: Bernie Bathel, Bruce Carr, Keith Ruetz, Rick Staler. Row 3: Joe Garcia, Ron Jackson, Ray Welling, Mark Danisovsky. Row 4: Mr. Nichoson, Joe Palmer, John Joldrichson, Larry Lawson, Kevin Horn.

The Cross Country team had the most successful season that Waite has seen in 13 years. All of the members of the team worked hard and gave each other moral support. The team participated in the City Meet and earned 2nd place. They also took 2nd place in the Sectional Meet. When the team ran in the District Meet they took 7th place and Joe Garcia went all the way to Columbus and participated in the State Meet. Four of the seven runners on the team will be returning next year and with some more hard work, the future looks bright for the Cross Country team.



Jay Boose nears the finish line.

Joe Garcia was Waite's best runner this year.

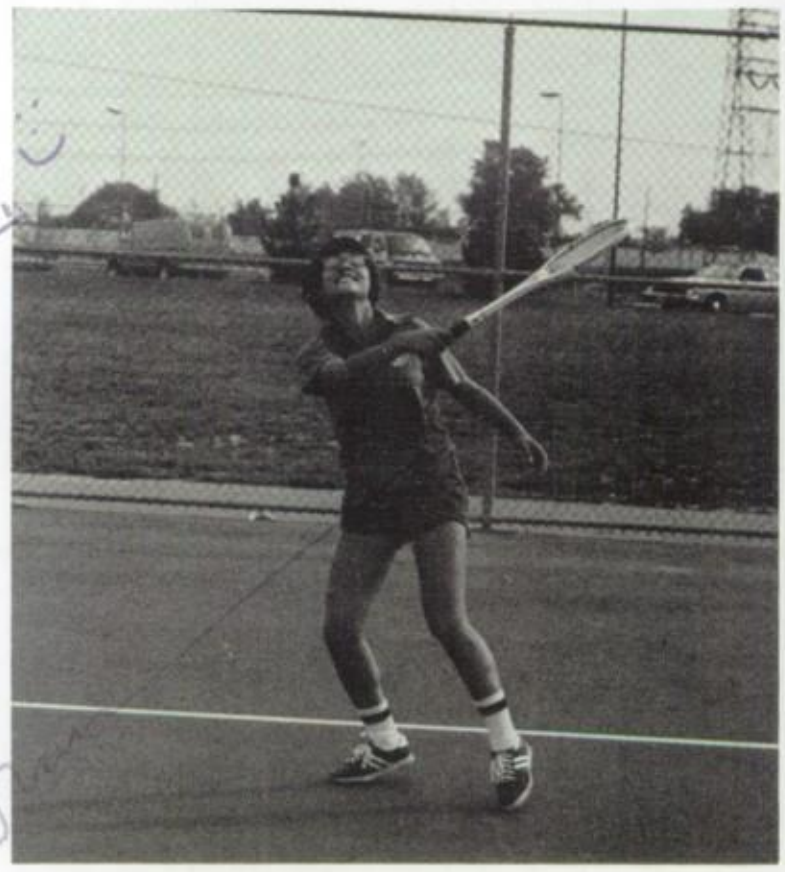
"Coach Dunn"

The Waite Girls Varsity Tennis Team finished fifth out of 11 teams in the City League. Their record of 6 wins and 4 losses earned them fifth place. This was their best record in the 3 years of league competition.



Lisa Sepeda believes practice makes perfect.

Bowling Team

Row 1: Mr. Tischinae, Ron Koles, David Pemberton, Dennis Ackerman, Bob Huss, Shelly Nickles.

This year Waite students had the opportunity to participate in yet another sports activity — bowling. The team bowled on Saturdays at Imperial Lanes competing against other area high schools. During the bowling season their averages improved ranging from 153 to 166.

Yogi Bush has just reversed his opponent against Woodward.

Waite's Wrestling Team had a successful season this year. They placed second in the Sylvania Tournament. They also had their first shut-out against Start High School scoring 67 points. The Wrestling Team had a fairly young team so the future of the Wrestling Team looks good. The Seniors were outstanding this season. They scored one half of the total team points. Lance Adair, a senior was the only one who won a championship in the Sylvania Tournament with a score of 5-1. Other individuals who scored well during the year were Jay Boose and Tim Gladieux.

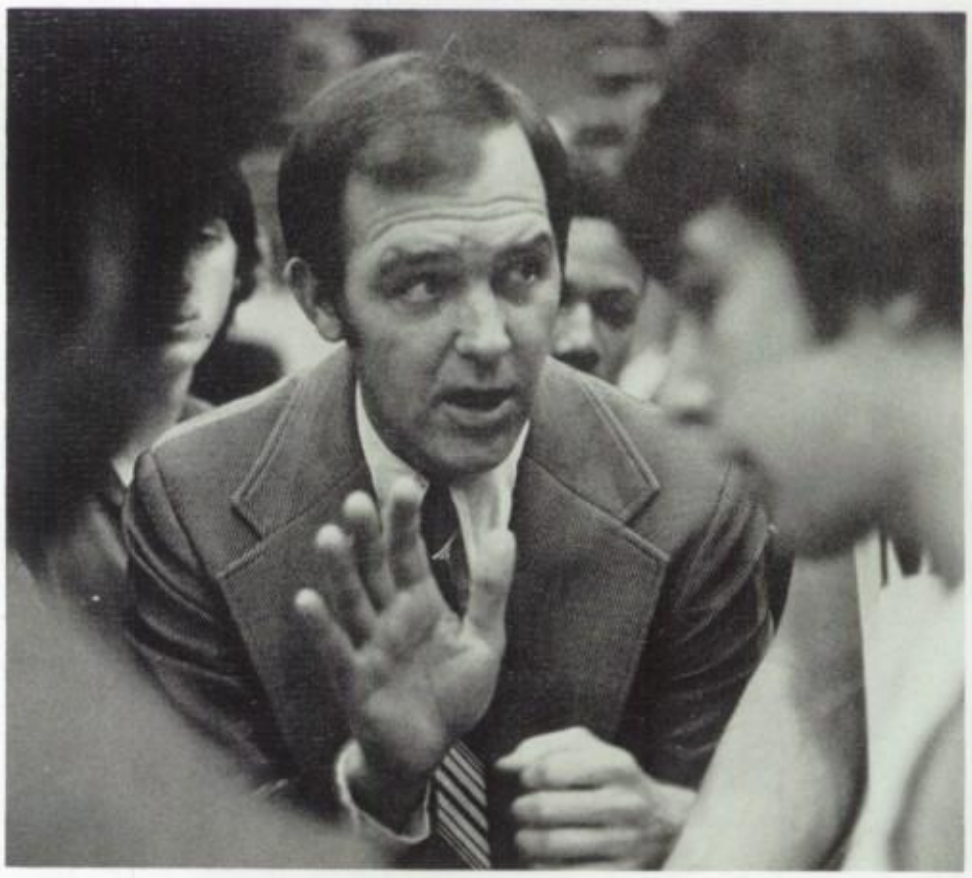
Varsity Basketball

Row 1: Mike Moran, Randy Stocker, Del Clayton — Capt. Row 2: Charles Temple, Arris Veronie, John Joldrichsen, Dave Leonhardt, Brian Harper.

At the beginning of the 1976-77 basketball season hopes were high as the Indians had 8 returning varsity players. They worked very hard and played sharp, heads-up ball. The school closing in December, however, had its effect on the team. It was difficult for them to regain their momemtum and the season ended in disappointment even though they played fine games against Scott, Rogers, St. Johns, Maumee and DeVilbiss.



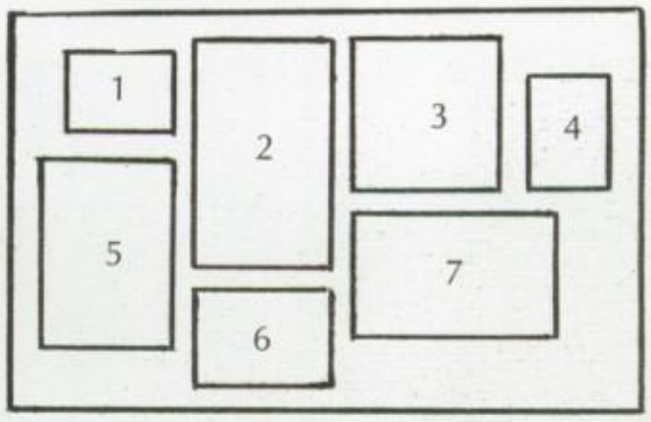
Coach Kuzma discusses strategy with the team.

J.V. Basketball

Row 1: John Peters, Bob Schumacher, Ed Scharer, Mike Dagastino, Mr. Cole — Coach. Row 2: Darrol Hueston, Orie Bermuss, Glen Hill, Tom Steedman. Row 3: Mike Emch, Dan Clayton, Mark Beach, Bernie Bathel.

Ed Scharer shoots for two.

Danny Clayton struggles to regain the ball for Waite.



1. John jumps a little higher.
2. Hurray! Another score from John.
3. Del takes a jump shot.
4. Woodward tries to steal Waite's ball.
5. Count on Mike for a perfect aim.
6. Del and a Woodward Polar Bear go after the ball.
7. Arris "flies like an eagle."

Row 1: Miss Rich — Coach, Linda White, Faye Peacock, Sherry Boyd, Pat Hanthorn, Ida Garcia, Sherry Bush. Row 2: Cindy Gebhard, Ann Archer, Angela Washington, Jean Gunner, Pam Boos, Cindy Martin, Lisa Sepeda, Mary Domonkos.

Intramurals

In recent years at Waite, girls have become more important in the athletic program. Among the girls sports are basketball, intramurals, tennis, track, and volleyball. The girls took the disappointment of defeat and the excitement of winning in the spirit of athletic competition. They worked very hard to make the school proud of them.

Row 1: Mrs. Johnson — Coach, Marilyn Rector, Julie Madachy, Lisa Sepeda, Karrie Johnston, Mrs. Woodworth — Coach. Row 2: Mary Domonkos, Cindy Martin, Ida Garcia, Pam Boos.

Girls Volleyball

Row 1: Dawn Stephenson, Vicky Sepeda, Karrie Johnston, Joanne Reed. Row 2: Gloria Rizor, Celine Shuff, Diane Smith, Connie Guy. Row 3: Doris Vermilyea, Carol Vermilyea, Rene Stocker, Mary Staler, Yolanda Moreno, Pam Boos, Polly Scheanwald.

Karrie puts her best effort in the game.

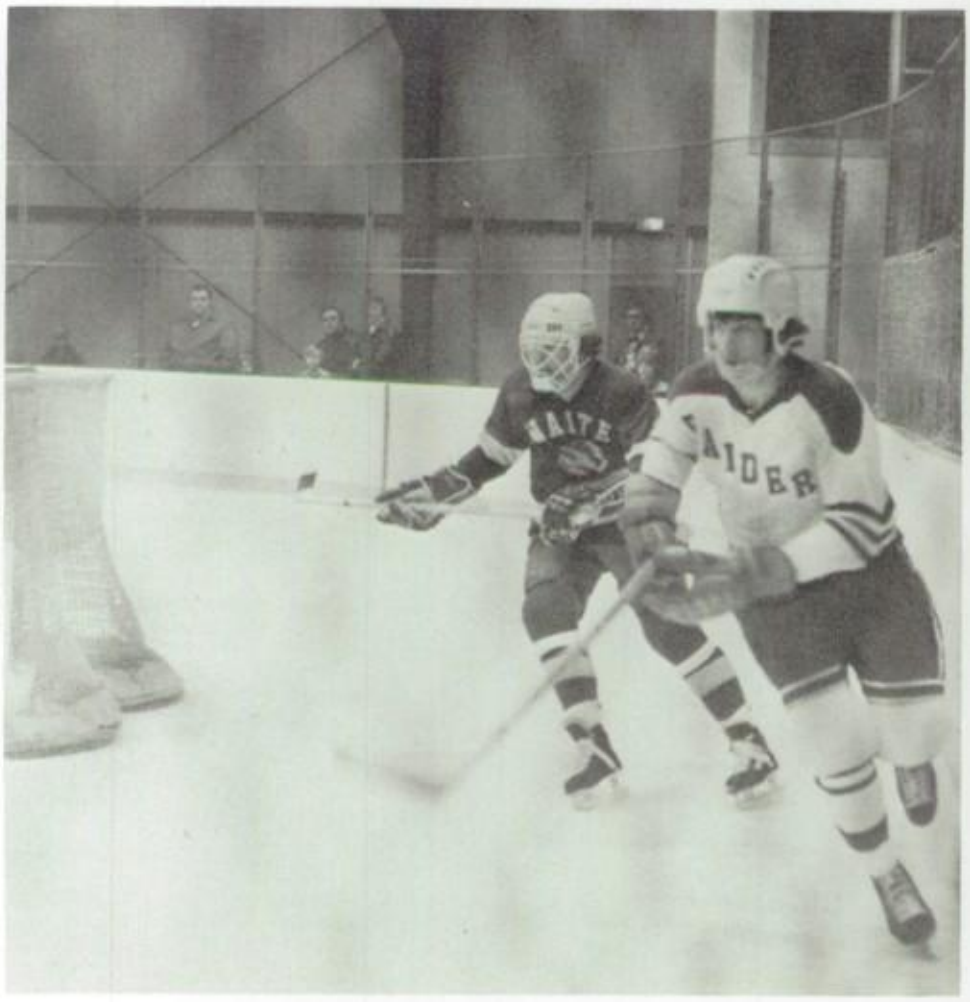
In the last three years Waite's hockey team has been good, but this year's team was the best so far. Waite finished number one in the Ramsey Division. They invited a very tough and experienced Assumption High School from Windsor, Ontario and lost under the stiffest competition of the season. Other than that they were able to beat every team they came up against in their league.



Waite works hard to defend its goal.

Gary Pellek scores a goal for Waite.

Goalie, Bill Harrison, keeps opponents from scoring.

Waite's goalie, Bill Harrison, disappoints an opponent's attempt to score.

Jeff Wilkinson stayed with the opponent all the way down the ice.

Looking toward the future . . .

As supplies of natural gas and oil continue to grow scarce, electricity will play an even larger role in meeting the expanding energy needs of our society. That's why Toledo Edison is developing new sources of energy, such as nuclear power, and planning ahead for the power needs of 1990 and beyond.

We're determined to meet this challenge and provide the best possible electric service for your generation and others that follow.

The world's pole vault record has leaped 2′ 10″ since fiber glass came along

In 1942, the vaulting record was 15′ 7-3/4″. Then fiber glass came along and today the record is 18′ 5-3/4″. In fact, Fiberglas/plastic is used in hundreds of sports products from surfboards to racing car bodies.

When you think of the new basic material, think fiber glass. And when you think of a great career opportunity, think Owens-Corning.

Owens-Corning is Fiberglas

The Junior Class

This year has been a memorable one and in some ways a tragic one. We lost a few people very dear to Waite.

Miss Beryl Ebner, a counselor, who had taught at Waite for 10 years.
Norbert Garcia, a Senior, member of the Varsity Wrestling Team who was liked by everyone.
Terry Cromer, a Sophomore, and member of the J.V. Wrestling Team.
Tracy Cannon, a Junior at Waite High School.

As editor of the 1976-77 Warrior staff I would like to thank the following people:

Mr. Bynum of Hunter Publishing for his time and effort in helping us through each deadline and with the problems we faced in December.
Mr. Beltz for his fine photography and for the photography seminar he held for our photographers.
Mr. Gingrich of Northwood Chrysler-Plymouth-Leasing Dept. for his support in filling our division pages with his advertisement.
Miss Iwanoff for the continuous help she gave me.
Mrs. Bellville for always being around when we needed her.
Mike Bengela for his fine artwork.
Mr. Wheeler for the use of his art supplies.
The staff for all their help and good times we had.
And to all the teachers for their patience while the yearbook staff bugged the heck out of them.

Thank you

Cathy Ellis

To Mol Ellen, (Maureen -n- Danny ♡ + ♡ = ♡♡)

Remember, remember, remember all the good times. Sure was great huh? I sincerely hope everthing works out the best it can cause I'd really like to see you go far. I know we had some good times together and some bad, but its good to know that that's all over now we can look to our future and find all the good things out there waiting for us. We will find them and we'll forever be greatful for our friendship. So much for the good life ayy?

Now is the time. We got to make it the best we can. A few people we've had a time with, but they will never know because they're not sly. Ha Ha! Well, better go running out of pages. Friends forever.
